

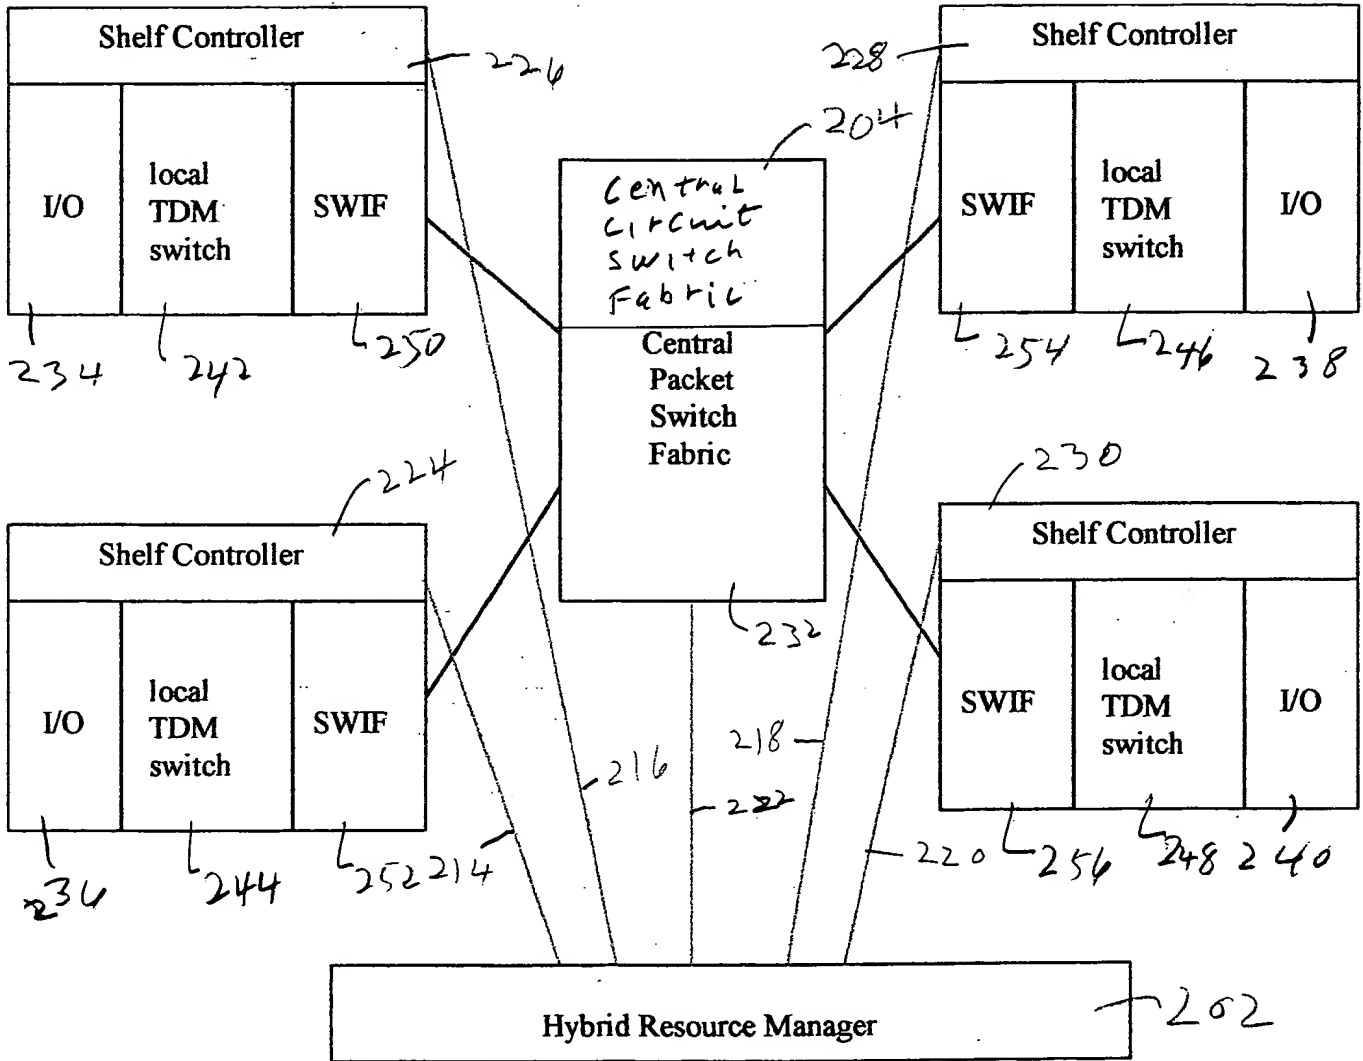

Diagram illustrating a network topology with six nodes (Node A, Node B, Node C, Node D, Node E, Node F) arranged in a circular configuration. The nodes are interconnected, forming a mesh structure. The diagram is labeled with various reference numerals: 100 for the overall network, 102 for the outer boundary, 104 for the nodes, 106 for the connections, 108 for the nodes, 110 for the nodes, 112 for the nodes, 114 for the connections, 116 for the connections, 118 for the connections, 120 for the connections, 122 for the connections, and 124 for the connections.
